

Navigating Family Business Workshops

Family Business Association is offering three workshops in South Australia.

Specifically tailored to the unique needs of family businesses, these workshops focus on core family business fundamentals, providing you with practical knowledge that's critical to improve business processes and drive sustainable growth, no matter your stage in business.

Available both in-person in Adelaide and online.

An initiative of the Government of South Australia's Office for Small and Family Business and the South Australian Small Business Strategy 2023 – 2030.

SUCCESSION IN FAMILY BUSINESS

COURSE DATES

Thursday 20 March 2025
Thursday 29 May 2025

\$55 per person

Presented by Hood Sweeney

Succession is one of the greatest challenges associated with running a family business. Transitioning leadership is a complex strategic process, and early planning is key. Now is the time to start having the conversation. This workshop delves into what is involved in succession planning, why it is vital and the key elements involved. You'll leave with an understanding of where you are on your succession journey and a plan for next steps.

GOVERNANCE IN FAMILY BUSINESS

COURSE DATE

Wednesday 16 April 2025

\$55 per person

Presented by ADLV Law

Governance is the structure, systems and processes that ensure a business' overall direction, supervision and accountability. Having formal governance structures assists open communication, reduces internal conflicts, nurtures the next generation, and develops a shared family vision. This workshop will help you understand key elements of governance, identify your gaps and plan next steps towards sound governance in your family business.

LEGAL CONSIDERATIONS IN FAMILY BUSINESS

COURSE DATE

Wednesday 7 May 2025

\$55 per person

Presented by ADLV Law

As a member of a family business with an impact on direction and strategy, it is important you meet your legal responsibilities - as you may be as liable as any director on the board. Gain an understanding of the distinct legal responsibilities of running a family business, and key areas of personal and commercial risk. Identify the gaps in your current legal knowledge and leave armed with the next steps to ensure compliance in your family business.
